

Jingle Star Fling

DEC 1st 2018 2pm until ??

All Gems & Stars Freestyle Dancers invite their friends and family members to watch us dancing with our dogs. All Gem City Dog Obedience Club members and families are invited to attend our event as well. Our annual Jingle Star Fling event on Saturday 12/1/18 at 2pm until all performances are completed. Located at the Gem City Dog Obedience Club building address 4920 Northcutt Drive location.

This is a just for fun event where all of the Gems & Stars Freestyle folks perform their favorite music for all of their friends and family. This is not a formal competition it is day just to have fun with our furry partners and show off the skills we have learned through the year. Some performers may be doing their very first performance and some performers may have done Freestyle for several years. It is a day to bring out the old dogs who still like to dance, the dogs currently competing in Freestyle, and the new puppies who get to do this for the first time in their young lives.

There will be plenty of snacks and goodies to enjoy during your time with us. Please do not bring your own dogs. If you are later than 2pm, please make sure no one is performing before walking in the front door. Most routines are about 2 minutes long so you will be able to come in the door soon. We look forward to performing for you and hope you enjoy our performances.

Happy Holidays to Everyone!
