

Gem City Dog Obedience Club

Agility Class Registration

Session 4, 2020 - AUGUST 10TH THRU SEPTEMBER 28TH, 2020
 Registration forms and payment must be received by Agility Registrar
 by **AUGUST 3, 2020 - No first-day-of class registrations.**

ANYONE NOT PRE-REGISTERED WILL NOT BE ELIGIBLE TO PARTICIPATE IN CLASSES

Advancement to the next class level may only be done with approval of your current instructor and agility registrar.
 All classes offered subject to minimum registration requirements. All classes to be held at our Northcutt facility.
 Dogs must be at least 15 months old to attend Novice thru Competition Classes.

Dog's Name/DOB/Breed	Please check box to indicate dog is current on all vaccinations	Day, Time	Class	Class Requirements/Description	Max Dogs Per Class
(Form may be used for multiple dogs)					
		Monday 6:30-7:30pm	SKILLS AND DRILLS ADVANCED NOVICE/OPEN HANDLING Rich Studer	Requirements: Dogs must be experienced, focused, and able to independently perform all obstacles (including 12 weaves) and have a consistent contact behavior. Handlers and dogs will run short sequences of 6 to 8 obstacles using a variety of handling techniques such as backs, rear and front crosses, serpentine, 180's, etc. This class is for you if you and your dog need to gain that last leg in Novice and/or are competing in Open.	6
		Monday 7:45-8:45pm	HANDLING SKILLS AND SKILLS PROOFING Vicki Head	Need to work on your distance skills or proofing handling techniques such as layering and obstacle discrimination? This class is for you. Dogs must be able to independently perform all obstacles (including 12 Weaves) and have a consistent contact behavior. AKC Open thru Masters skill level.	6
		Tuesday 10:00-11:00am	SKILLS & DRILLS OPEN/ADVANCED HANDLING Deb Werts	Requirements: Dogs must be experienced, focused, and able to independently perform all obstacles (including 12 weaves) and have a consistent contact behavior. Handlers and dogs will run short sequences of 6 to 8 obstacles using a variety of handling techniques such as backs, rear and front crosses, serpentine, 180's, etc. This class is for you if you and your dog are at the Open/Excellent skill level.	6
		Tuesday 6:30-7:45pm	ADVANCED COMPETITION Yvonne Mancino	Dogs and handlers must have Excellent Level Skills. Class Fee: Members \$150 (or Voucher + additional \$115). Non-Members \$195 (\$90 + additional \$105). Instructors and key trial personnel running at this level will have registration priority.	6
		Tuesday 7:45-9:00pm	MASTERS AGILITY Yvonne Mancino	DOGS MUST be running AKC Masters Level. Class Fee: Members \$150 (or Voucher + additional \$115), Non-Members \$195 (\$90 + additional \$105). Instructors and key trial personnel running at this level will have registration priority.	6
		Wednesday 9:45-10:45am	ADVANCED COMPETITION Cherrie Treber	Requirement: 12 Weaves. Instruction in proofing various handling techniques such as distance work, layering, and obstacle discrimination. AKC Excellent level skills required.	6
		Wednesday 11:00am-12:00pm	NOVICE/OPEN COMPETITION Cherrie Treber	Prerequisite: Instruction for those showing the first levels of competition. Must be able to perform all obstacles including 6 weaves. Skill Level: AKC Novice/Open	6
		Wednesday 5:00-6:00pm	HANDLING SKILLS FOR COMPETITION Sherri Heizer	Class for those in beginning levels of competition. Builds on skills learned earlier concentrating on independent performances. Instruction in maximizing obstacle performance while adding more complex handling techniques. Must have completed Beginner Series and working toward first levels of competition. Dogs must have reliable attention and focus to work off-lead and able to perform all obstacles including at least 6 upright weaves.	6
		Wednesday 6:30-7:30pm	INTERMEDIATE HANDLING Deb Werts	This class will concentrate on developing handling skills. Dogs must have Excellent Level skills and be able to independently perform all obstacles (including 12 weaves) and have a consistent contact behavior.	6
		Wednesday 7:45-8:45pm	BEGINNER SERIES Suzi Forshey/TBD	Prerequisite: Foundation. Dogs must have a reliable recall and enough focus and attention to work safely off-lead around other dogs. Positive reinforcement is used to pattern skills needed to safely and and successfully perform all standard agility obstacles. This class consists of at least 3 Sessions. Instructors will work with each team to build skills in obstacle behavior, independent obstacle performance, and finally building handling skills for short 1-2 obstacle sequences. Dogs ready to move on must be focused, under control, be able to independently perform 6 upright weaves, and have a consistent contact behavior.	8
		Thursday 6:30-7:30pm	HANDLING SKILLS FOR COMPETITION Terri Hendrix	Class for those in beginning levels of competition. Builds on skills learned earlier concentrating on independent performances. Instruction in maximizing obstacle performance while adding more complex handling techniques. Must have completed Beginner Series and working toward first levels of competition. Dogs must have reliable attention and focus to work off-lead and able to perform all obstacles including at least 6 upright weaves.	6
		Thursday 7:45-8:45pm	MASTER CHALLENGE CLASS Kara Sheerer	Class for those running competition levels who would like the challenge of creating sequences to run. Dogs and handlers for this class must have the skills to execute threadles, backsides, and complex handling techniques.	6
