- ❖ A warm-up area with a regulation jump will be provided for each ring.
- ❖ 24" Weave Poles will be used at the trial.
- ❖ Rubberized Contacts

## Agility Regulations

Telegraph, telephone and unsigned entries or entries without fees cannot be accepted. Entries NOT on Official AKC Agility Entry Forms or photocopies of Entry Forms without the Agreement and Rules on the reverse side of the Official AKC Entry Form are NOT ACCEPTABLE. Express Mail entries must include signature permitting them to be left at the Secretary's address without the recipient's signature. If no recipient is present to sign the receipt, entries may be returned to the sender.

Bitches in Season will not be admitted to the trial. **Any exhibitor with a bitch entered which is in season on the trial date will be refunded entry fee for that particular bitch, upon written certification by a veterinarian.** Notification must be in the hands of the Trial Secretary not later than 1:00 p.m. on the day of the trial.

Injured dogs: Any exhibitor with a dog that is injured prior to the trial date will be refunded half of the amount of each entry for that particular dog, upon written certification by a veterinarian. Notification must be in the hands of the Trial Secretary not later than 9:00 a.m. on the day of the trial.

Make check and money orders payable to Gem City Dog Obedience Club. Canadian exhibitors must make fees payable in U.S. funds. GCAC assume no responsibility for cash sent through the mail. Post dated or returned checks do not constitute a valid entry fee. The secretary will add a collection fee of \$15.00 to the amount of each returned check.

Declination of entries: GCAC may decline any entries and may remove any dog on account of disease, viciousness, or other cause and no one shall have any claim against GCAC or any official thereof. No entry shall be made and entry shall be accepted which specifies any conditions as to its acceptance.

Error on the entry forms: Owners are responsible for errors and legibility in making out entry forms, whoever may make such errors, and no entry fee will be refunded in the event of such errors or cancellation of entries after the published closing date. Please type or print carefully the information on entry forms to eliminate errors.

Please include instructions as to what you wish to do with your entry if you cannot get in all the classes and days you entered. Entries will be acknowledged as soon as possible after the entry is received if you include an email address or postcard. Entries will be acknowledged after entries close with identification cards and judging program. Should such acknowledgment not be received by the exhibitor within a reasonable time, please notify the trial secretary.

Entry fees shall not be refunded in the event the dog is absent, disqualified, excused by the judge, or banned from competition by action of the Agility Committee. If because of weather, riots, civil disturbances or any other acts beyond the control of the management of the trial it is impossible to open or to complete the trial, no refund of entry fees will be made.

Exhibitors must be governed by any rules or regulations of civil authorities and/or building or location restrictions.

Dogs must be ready for judging. GCAC will not be responsible and is not obligated to furnish any service for notifying exhibitors or their agents of class judging. Judges need not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging ring. All dogs present must be held on leash or confined to their crates except when being judged or in the warm-up area.

Exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the direction of the Agility Committee, be asked to leave the trial site. In such a case, no refund of any entry fees paid will be made.

No grooming will be allowed inside the building.

Training collars including pinch collars, electric and dummy electric, Gentle Leaders or Halti collars are prohibited on the trial grounds.

### Height Cards

All handlers in AKC agility must now present an official height card for each dog entered, or have their dogs measured, prior to running in any class excluding those jumping 24", unless there is a VMO or AKC representative in attendance. All dogs without a permanent or temporary height card will have to be measured by the judge before running. Height cards are not required to be submitted to the trial secretary, however, all exhibitors should carry the original AKC official jump height card with them to each trial in order to present the card upon request.

### **New Rules and Guidelines Effective 2020**

ENTERING A MIXTURE OF REGULAR AND PREFERRED CLASSES WITHIN THE SAME TRIAL WEEKEND MULTIPLE JUMP HEIGHTS WITHIN THE SAME TRIAL DAY Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day. Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day. A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

ENTERING FOR EXHIBITION ONLY (FEO) As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show. • Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed. • Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed. • The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board). • Toys are allowed in the ring o Toys must be non-audible o Toys may not leave the handler's hand o Toys that roll freely cannot be used • Food/treats are not

allowed in the ring • FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring. • A judge must monitor the entire run. Judges can stop a run at any time  
FIX AND GO ON (FNG) As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners<sup>SM</sup> program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

Gem City Agility Club  
Responsible Restart Ohio  
OCTOBER 2-4, 2020  
Covid 19 Waiver and Behavior Expectations

As we are all aware, Covid-19 is a highly contagious and dangerous virus. And based upon the recommendations of Public Health, Medical and Scientific professionals, social distancing and face coverings have been shown to reduce the spread of this dangerous disease.

Gem City takes the threat of this virus seriously and our committee has developed the following safety precautions that are planned for this trial.

All exhibitors and workers are expected to follow this protocol. If you feel you are unable or unwilling to adhere to the protocol, please do not attend this trial.

1. GENERAL- Exhibitors entering Agility trials held at Gem City Agility Club must comply with all Federal, State and Local laws. **Anyone who is ill for any reason must stay home.** You will receive a full refund. Entering an agility trial at any time is done entirely at your own risk. If a Club suspects an exhibitor is ill, they will ask for that exhibitor to leave trial grounds immediately. Exhibitors should expect longer days at Events due to some of the extra steps Clubs and Judges must take to make sure Events are safe for all.
2. CRATING: There will be indoor crating. In addition, parking spaces close to the building will be reserved for Outdoor crating from your car. The indoor general crating room will be primarily set up for dog crating. In addition, there will be space for chairs. But you may not be permitted to have your chair adjacent to your crate. Chairs and other person-to-person interactions should observe at least 6-foot distance.
3. SPECTATING: No spectators permitted. Only the exhibitors entered in the trial are allowed in the building. And only running dogs and workers will be permitted in the ring area. There will be a video feed of the ring and each team may have a designated video friend. Exhibitors and videographers will be from a designated area and shall leave the area immediately after the run.

4. MASKS: All exhibitors must supply their own masks
  - IN THE BUILDING (OUTSIDE THE RING): Masks are required to be worn at all times by anyone entering the building (covering both the nose and mouth area).
  - IN THE BUILDING (INSIDE THE RING): Exhibitors will be required to keep the mask with them while in the ring. They may lower the mask or remove it while running. The mask must be pulled back up over the mouth and nose upon exiting the ring.
  - OUTSIDE ON TRIAL GROUNDS: Masks are required if physical distancing of 6' or more feet is not possible. Exhibitors will need to bring enough masks for the duration of the trial and dispose of single use masks properly. Gem City will not be supplying masks. Handicapped / Differently Abled Handler: **If you have a disability that would affect wearing a mask we suggest you sit this one out.**
5. Food will not be available for purchase or sharing. We may arrange box lunches for a fee or similar worker credits. Details will be in your confirmation. Please do not bring MACH cake (per AKC guidance) or snacks to share. Award bar signings are also not permitted except in your private group.
6. The Club will observe develop trial management protocol including the use of gloves or other safety precautions when handling leashes, paper etc. Workers will be made aware of these practices when reporting for duty.

***Gem City's building is cleaned and sanitized on a regular basis. Before the trial, all touch surfaces will be sanitized. Hand sanitizer, disinfectant cleaning products and hand washing access and supplies will be available throughout the trial. In addition, all surfaces will be cleaned throughout the trial.***
