

Gem City Dog Obedience Club

Agility Class Registration

Session 1, 2023- January 5th thru February 22nd, 2023
Registration forms and payment must be received by Agility Registrar
by December 23rd - No first-day-of class registrations.

ANYONE NOT PRE-REGISTERED WILL NOT BE ELIGIBLE TO PARTICIPATE IN CLASSES

Advancement to the next class level may only be done with approval of your current instructor and agility registrar.
 All classes offered subject to minimum registration requirements. All classes to be held at our Northcutt facility.
 Dogs must be at least 15 months old to attend Novice thru Competition Classes.

Dog's Name/DOB/Breed	Please check box to indicate dog is current on all vaccinations	Day, Time	Class	Class Requirements/Description	Max Dogs Per Class
(Form may be used for multiple dogs)					
		Monday 4:00-5:00pm	HANDLING SKILLS FOR PRE-NOVICE Ron Siwecki	Requirements: Must have successfully completed Beginner Series. This class adds to the skills learned in the Beginner Series. Emphasis will be on handling skills while still re-enforcing correct obstacle behaviors. Dogs and Handlers will be introduced to various handling techniques using short sequences.	7
		Monday 5:00-6:00pm	HANDLING SKILLS FOR PRE-NOVICE Ron Siwecki	Requirements: Must have successfully completed Beginner Series. This class adds to the skills learned in the Beginner Series. Emphasis will be on handling skills while still re-enforcing correct obstacle behaviors. Dogs and Handlers will be introduced to various handling techniques using short sequences.	7
		Monday 6:30-7:30pm	SKILLS AND DRILLS ADVANCED NOVICE/OPEN HANDLING Tom Munday	Requirements: Dogs must be experienced, focused, and able to independently perform all obstacles (including 12 weaves) and have a consistent contact behavior. Handlers and dogs will run short sequences of 6 to 8 obstacles using a variety of handling techniques such as backs, rear and front crosses, serpentine, 180's, etc. This class is for you if you and your dog needs to gain that last leg in Novice and/or are competing in Open.	7
		Monday 7:45-8:45pm	HANDLING SKILLS AND SKILLS PROOFING Kathy Roberts	Need to work on your distance skills or proofing handling techniques such as layering and obstacle discrimination? This class is for you. Dogs must be able to independently perform all obstacles (including 12 Weaves) and have a consistent contact behavior. AKC Open thru Masters skill level.	7
		Tuesday 6:30-7:45pm	ADVANCED COMPETITION Yvonne Mancino	Dogs and handlers must have AKC Excellent Level Skills. Class Fee: Members \$150 (or Voucher + additional \$115). Non-Members \$195 (\$90 + additional \$105).	7
		Tuesday 7:45-9:00pm	MASTERS AGILITY Yvonne Mancino	Dogs and handlers must have AKC Masters Level Skills. Class Fee: Members \$150 (or Voucher + additional \$115). Non-Members \$195 (\$90 + additional \$105).	7
		Wednesday 9:45-10:45am	ADVANCED COMPETITION Cherrie Treber	Requirement: 12 Weaves. Instruction in proofing various handling techniques such as distance work, layering, and obstacle discrimination. AKC Excellent level skills required.	7
		Wednesday 11:00am-12:00pm	NOVICE/OPEN COMPETITION Cherrie Treber	Prerequisite: Instruction for those showing the first levels of competition. Must be able to perform all obstacles including 12 weaves. Skill Level: AKC Novice/Open	7
		Wednesday 5:15-6:15pm	BEGINNER SERIES Mary Beam/Bonnie Maki	Prerequisite: Foundation. Dogs must have a reliable recall and enough focus and attention to work safely off-lead around other dogs. Positive reinforcement is used to pattern skills needed to safely and successfully perform all standard agility obstacles. This class consists of at least 3 Sessions. Instructors will work with each team to build skills in obstacle behavior, independent obstacle performance, and finally building handling skills for short 1-2 obstacle sequences. Dogs ready to move on must be focused, under control, be able to independently perform 12 upright weaves, and have a consistent contact behavior.	6
		Wednesday 6:30-7:30pm	BEGINNER SERIES Suzi Forshey/Peggy Walling /Deb Werts	Prerequisite: Foundation. Dogs must have a reliable recall and enough focus and attention to work safely off-lead around other dogs. Positive reinforcement is used to pattern skills needed to safely and successfully perform all standard agility obstacles. This class consists of at least 3 Sessions. Instructors will work with each team to build skills in obstacle behavior, independent obstacle performance, and finally building handling skills for short 1-2 obstacle sequences. Dogs ready to move on must be focused, under control, be able to independently perform 12 upright weaves, and have a consistent contact behavior.	9
		Wednesday 7:45-8:45pm	INTERMEDIATE HANDLING Deb Werts/Mary Holland	This class will concentrate on developing handling skills. Dogs must have AKC Open/Excellent Level skills and be able to independently perform all obstacles (including 12 weaves) and have a consistent contact behavior.	7
		Thursday 5:30-6:15pm	FOUNDATION Maggie Melton	This class required prior to starting Beginner Agility Class. Instruction utilizing fun techniques to promote focus and attention while maintaining drive for future agility training. Teams work on basic agility flatwork. Prior Obedience training above Puppy Class required (NO EXCEPTIONS)	5
		Thursday 6:30-7:30pm	HANDLING SKILLS FOR COMPETITION Terri Hendrix	Class for those in beginning levels of competition. Builds on skills learned earlier concentrating on independent performances. Instruction in maximizing obstacle performance while adding more complex handling techniques. Must have completed Beginner Series/Pre-Novice and working toward first levels of competition. Dogs must have reliable attention and focus to work off-lead and able to perform all obstacles including at least 12 upright weaves.	7
		Thursday 7:45-8:45pm	MASTER CHALLENGE CLASS Vicki Head	Dogs and handlers must have AKC Excellent/Masters Level Skills. Skills must include threadles, backsides, and complex handling techniques.	7
