Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes within the same Trial Weekend-Multiple Jump Heights within the Same Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred Classes is allowed.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go ON will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

ENTERING FOR EXHIBITION ONLY (FEO) NEW

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- **Dogs may be entered in any level (Novice, Open, Excellent, or Master) in FAST, JWW, STD, or Premier classes.** If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- Toys are allowed in the ring - Toys must be non-audible - Toys may not leave the handler's hand - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time.
- The exhibitor must declare FEO in the ring prior to leading out.
- **Course time for FEO in T2B, JWW, STD, Premier and ISC will be 45 seconds. FAST course times for each class/height are as noted in the Regulations.**

Agility Regulations

Telegraph, telephone and unsigned entries or entries without fees cannot be accepted. Entries NOT on Official AKC Agility Entry Forms or photocopies of Entry Forms without the Agreement and Rules on the reverse side of the Official AKC Entry Form are NOT ACCEPTABLE. Express Mail entries must include signature permitting them to be left at the Secretary's address without the recipient's signature. If no recipient is present to sign the receipt, entries may be returned to the sender.

Bitches in Season will not be admitted to the trial. **Any exhibitor with a bitch entered which is in season on the trial date will be refunded entry fee for that particular bitch, upon written certification by a veterinarian.** Notification must be in the hands of the Trial Secretary not later than 1:00 p.m. on the day of the trial.

Injured dogs: Any exhibitor with a dog that is injured prior to the trial date will be refunded half of the amount of each entry for that particular dog, upon written certification by a veterinarian. Notification must be in the hands of the Trial Secretary not later than 9:00 a.m. on the day of the trial.

Make check and money orders payable to Gem City Agility Club. Canadian exhibitors must make fees payable in U.S. funds. MVSSC/GCAC assume no responsibility for cash sent through the mail. Post dated or returned checks do not constitute a valid entry fee. The secretary will add a collection fee of \$15.00 to the amount of each returned check.

Declination of entries: MVSSC may decline any entries and may remove any dog on account of disease, viciousness, or other cause and no one shall have any claim against MVSSC or any official thereof. No entry shall be made and entry shall be accepted which specifies any conditions as to its acceptance.

Error on the entry forms: Owners are responsible for errors and legibility in making out entry forms, whoever may make such errors, and no entry fee will be refunded in the event of such errors or cancellation of entries after the published closing date. Please type or print carefully the information on entry forms to eliminate errors.

Please include instructions as to what you wish to do with your entry if you can not get in all the classes and days you entered. Entries will be acknowledged as soon as possible after the entry is received if you include an email address or postcard. Entries will be acknowledged after entries close with identification cards and judging program. Should such acknowledgment not be received by the exhibitor within a reasonable time, please notify the trial secretary.

Entry fees shall not be refunded in the event the dog is absent, disqualified, excused by the judge, or banned from competition by action of the Agility Committee. If because of weather, riots, civil disturbances or any other acts beyond the control of the management of the trial it is impossible to open or to complete the trial, no refund of entry fees will be made.

Exhibitors must be governed by any rules or regulations of civil authorities and/or building or location restrictions.

Dogs must be ready for judging. MVSSC will not be responsible and is not obligated to furnish any service for notifying exhibitors or their agents of class judging. Judges need not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging ring. All dogs present must be held on leash or confined to their crates except when being judged or in the warm-up area.

Exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the direction of the Agility Committee, be asked to leave the trial site. In such a case, no refund of any entry fees paid will be made.

No grooming will be allowed inside the building.

Training collars including pinch collars, electric and dummy electric, Gentle Leaders or Halti collars are prohibited on the trial grounds.

Day to Day Move-ups will be allowed.

Wait List for Withdrawn Entries after the Closing Date/Time: MVSSC is offering a Wait List to fill openings created by withdrawn entries after the trial's closing date/time. A maximum of 20 entries will be placed on the club's wait list. All entries, including wait listed entries, must be received by the Trial Secretary prior to December 2, 2024. Any entries withdrawn that are received by Monday, December 9, 2024, at 5 pm will be replaced by a wait listed entry if any are available. If a withdrawn entry is replaced by a waitlisted entry, a full refund will be issued for the withdrawn entry. Any waitlisted entry that does not move off the wait list into the trial by December 9, 2024 at 5 pm will receive a full refund.
