GINA M. DINARDO, Executive Secretary

Open to all dogs at least 12 months of age that are individually registered with AKC, recorded in the FSS program, dogs with PAL numbers or dogs enrolled in the AKC Canine Partners program. For more information on eligibility, check www.akc.org.

INSPECTION AND EXHIBITOR BRIEFING A briefing for exhibitors will be held prior to the running of the Coursing Ability Test. For efficiency and to accommodate schedule conflicts, a rolling schedule may be implemented. Exhibitors should check in and advise the Test Chair of any scheduling or other issues that may affect the running of their dog's test.

There will be two courses: Dogs run singularly in Coursing Ability Test events. **Veteran** dogs may run two-thirds of the normal distance at the owner's discretion. Veteran dogs are defined for this test as dogs older than 7 years of age. A veteran dog's owner must declare prior to the start which distance the dog will run.

300 Yard Course. This distance is for dogs shorter than 12 inches at the withers and/or brachycephalic ("flat-faced") dogs. A veteran dog may run 200 yards at the owner's discretion. A dog must complete this course in less than 1½ minutes.

600 Yard Course. This distance is used for all dogs that do not run the 300 yard course. A veteran dog may run 400 yards at the owner's discretion. A dog must complete this course in less than 2 minutes.

If there is a question whether a dog should run the 300 or 600 yard course, the judge will decide.

Dogs may run only one time per test. Dogs who stop running the course will not qualify.

THE COURSING TEST IS A PASS-FAIL EVENT.

The judge's decisions regarding the performance of an entered dog shall be final. Full discretionary power is given to the judge to withhold any and all qualifications for lack of merit. The Judge is responsible for ensuring compliance with the AKC Regulations on the field.

COLLARS. Dogs may wear any collar except a "choke "collar, a collar with prongs or an electronic training collar. **The safest option is no collar at all.**

INSPECTION

All dogs will be inspected for soundness prior to running the event. Inspection may NOT begin prior to the published test hours. All dogs inspected must be presented without tape, bandages or wrapping, or coverings of any kind. If, in the opinion of the inspection committee, any entry is found to be lame, unfit to compete or in season, they shall be excused from the test, and applicable entry fees shall be refunded. Substitution of dogs will be accepted at the time of roll call/inspection. Once inspection is finished, no substitution is allowed.

It is the intention of the test committee to begin running courses as soon as inspection and roll call is completed and the course is ready. When you are ready to run your dog, bring them to the paddock, the assembly area for dogs that have passed inspection be prepared to run.

The **HUNTMASTER** is responsible for field safety and therefore they are in complete charge of all dogs and handlers on the field. In service to this responsibility, they have the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog. Listen to the Huntmaster and follow their instructions promptly.

Electronic continuous loop machines will be used. Lure consists of white plastic bags. The Field Committee reserves the right to alter the course plan as required by weather or field conditions. No one is allowed on the field without express permission of the Field Chairman. There will be a \$5 fine assessed for any loose dog not taking part in the course in progress (per the AKC). There is **NO SMOKING** in and around the paddock area or in and around the Secretary's table. Please be considerate of others.
