New Rules and Guidelines

Entering a Mixture of Regular and Preferred Classes within the same Trial Weekend-Multiple Jump Heights within the Same Day

Effective January 1, 2022, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred Classes is allowed. Please note that if a dog qualifies in Regular Master STD and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that STD and JWW be either both Regular or Preferred on the same trial day. Additionally, within the same Regular or Preferred Classes, a dog may be entered in multiple jump heights within the same trial day. Example, a 20Inch Master STD/JWW dog also can be entered in the 24C Premier STD/JWW on the same day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

FIX AND GO ON (FNG)

As of January 1, 2021, Fix and Go ON is offered. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

ENTERING FOR EXHIBITION ONLY (FEO)- NEW JULY 24, 2024

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in all classes. Participation in FEO is non-qualifying.

FEO runs are treated as trial entries. The exhibitor must enter the class (es) prior to the closing date, pay class entry fee(s), and the Trial Secretary must record the entry in the trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

Dogs may be entered in any level (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

Toys are allowed in the ring - Toys must be non-audible - Toys may not leave the handler's hand - Toys that roll freely cannot be used.

Food/treats are not allowed in the ring

FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring

A judge must monitor the entire run. Judges can stop a run at any time.

The exhibitor must declare FEO in the ring prior to leading out

Course time for FEO in T2B, JWW,STD, Premier and ISC will be 45 seconds. FAST course Times for each class/height are as noted in the Regulations.

Day to Day Move-ups will be allowed.
